SKATER of the MONTH

MARCH MANIA-Newmarket

Cherise is a skater on the gold session and a grade 12 student at OSS. She is currently working on her gold skill, gold dances, junior silver freeskate and silver interpretive. Cherise recently competed at March Mania competition in Newmarket where she placed 1st in bronze interpretive. This was an especially bittersweet competition for Cherise as it is the last one she will compete in as she will be moving on from skating in the fall to attend college for registered practical nursing. Cherise is coached by Erin Shaw and Laura Csumrik who are extremely proud of her skating career and although will miss her around the rink, are excited to see what the future holds for her.
